Dear Parents and Carers

I am writing to you in anticipation of further Government guidance of what roles will be considered 'key workers'.

We have not yet received further detail from the government, but we anticipate that key workers will include:

- NHS
- Armed Forces
- Emergency Services
- Prison Service
- School Workers
- Food Chain Delivery Workers
- Social Care

In order to support our planning for next week and the near future, we are asking you to inform us if you believe your role is a key worker role.

If you believe that all people with parental responsibility for your child/children work in a key worker role, please respond to this email. You must include details of your role and your employer (for each person, if there is more than one).

As soon as we have received and cross checked the government guidance, we will contact you to confirm that you are eligible to send your child to school.

If you do not qualify or you do not wish to send your child, you do not need to respond to this email.

Yours sincerely

Ann Donaghy (Mrs)
Head Teacher
