Dear Parent

I am writing to inform and remind parents that Noel Baker Academy uses Go 4 Schools to communicate all key information. Go 4 Schools operates a website in addition to an App, please go to your App Store and download it for free. The features available include:

### Timetable

- Summary of current lesson and the next lesson.
- More detailed information on your child's daily timetable including timings and teachers.

### Homework

- New tasks set.
- Tasks due today/tomorrow.
- Tasks due within 7 days.

Additionally, you will be able to click on homework pieces to access:

- Detailed homework explanations.
- Website addresses required to complete the homework.
- Downloadable, attached documents.

### Session Attendance

- Counts of possible sessions and overall percentage attendance.
- Authorised/unauthorised absences and late marks.

### Behaviour

- Overview of positive and negative behaviour events and points.
- Details of each behaviour event including subject, points and date.

### Attainment and Progress Data

- Overview of all target and assessment information.

The GO 4 Schools App will also send to your smartphone and/or email address summary notifications/emails on:

- The homework set in the last 24 hours as well as homework due in the next 7 days, so that you are fully informed on the work your child must complete.
- Updates of behaviour events.

To receive information via the App, it is essential that we have your current email address. Please email [dataexams@noelbakeracademy.co.uk](mailto:dataexams@noelbakeracademy.co.uk) to update or amend any email addresses on our school system if required. Every child can have up to three contact email addresses linked to their account.

**Please note that before you can use the App, you must have first registered and set up an account using the website.**

To login to the GO 4 Schools App, your username and password are the same as the GO 4 Schools website. Pupils will also be able to download the App for use at home, but there will continue to be a strict no mobile phone policy whilst in school. User guides are available on the school website under 'Parents / Go 4 Schools'.

The Go 4 Schools parent App guide has also been attached which provides further information.

Yours sincerely
