

## What are my Next Steps?

You're starting an exciting new stage of your life and preparing for that can really help you deal with all of the changes that are taking place around you. Understanding the journey ahead of you and your place in it can really help you drive forwards and succeed more than you ever thought possible.

This is the map of your journey over the next two years.

### What can I do?

It is important that you:

- Know how your destination in September fits in to the bigger plan for you. Where do you want to be in 5 years time? What about 10 years?
- Keep thinking and talking about your career and the job you want do – this should be a constant topic of conversation.
