

Wearing face coverings in school

- It's really important to regularly sanitize your hands before and after touching your face covering.
- Remember to use the hand sanitizing stations that are available in all classrooms.

When do I have to wear a face covering?

- You must bring at least one face covering to school every day.
- When not being worn, you should store your face covering in a container (i.e. a clean Tupperware box inside your bag) or re-sealable plastic bag (i.e. a zip lock sandwich bag inside your blazer pocket or backpack).
- You must wear a face covering when moving around inside the academy and when you are unable to socially distance. For example, when moving to a specialist teaching room or when bad weather forces us to move morning break inside.

When do I not have to wear a face covering?

- You should not need to wear a face covering as you enter and exit the building.
- During lessons you do not have to wear your face covering.
