**We will liaise further with our local Public Health Protection Team:**

Out of hours advice 0344 2254 524

**We will also initiate consultation with our Local Director of Public Health and several options will be considered**

**We may have to isolate a larger group, e.g. if the individuals are in the year 9 bubble, we will isolate the whole year group.**

**We may have to sanction a whole school closure.**

A Mobile Testing Unit, operated by the Armed Forces, may have to be dispatched and all the direct contacts, the wider bubble and whole school testing may have to occur. The school will follow PHE advice/ instruction where consultation with parents/ carers is concerned and will support them as necessary.
