Attendance Policy

2022/23

LEADING STUDENTS
TO A BRIGHT FUTURE

SCIENTIA POTENTIA EST

Published: September 2022

Review: July 2023

1. Aims

Our Academy aims to meet its obligations with regards to attendance by:

- **Promoting good attendance and reducing absence, including persistent absence;**
- **Ensuring every pupil has access to full-time education to which they are entitled;**
- **Acting early to prevent patterns of absence.**

We will also support parents to perform their legal duty to ensure their children of compulsory Academy age attend regularly. At Noel- Baker Academy, we know that good attendance is crucial to the future educational success of our students. Good attendance at Noel- Baker Academy is defined as 97% and above, students who fall below this level will not be able to fulfil their education potential. It is our mission to ensure that every student has access to a knowledge rich curriculum and the opportunity to engage positively with the school. It is important to us that all students are able to enjoy a feeling of belonging to their class and school community. The Academy aims to achieve good attendance by operating an attendance policy with which staff, students and parents, the local community and the Educational Welfare Service work in partnership. Absences must be kept to a minimum and will be authorised in line with Government Guidelines/DfE 'Academy Attendance' July 2019. The Academy will rigorously monitor attendance ensuring a quick and early intervention if attendance falls to an unacceptable level.

Safeguarding remains integral to our academy. Further to periods of National lockdown, Noel- Baker Academy is continually committed to ensuring all pupils attend our academy and have full support to access remote learning and provision at home if they are self- isolating.

Attendance will be promoted and celebrated by staff and the school will liaise with parents and outside agencies to support this. This policy states the Academy's focus and with it, the roles and responsibilities of key stakeholders.

The aims of the policy are:

- to give a clear outline of our strategies to promote good attendance;
- to explain the roles and responsibilities of all stakeholders (Tutors, Heads of House, EWO's, students and parents);
- to explain the procedures for monitoring attendance;
- to clarify the mechanisms for dealing with poor attendance.

It is our intention to ensure that every student enjoys attending Noel- Baker Academy by providing a stimulating, challenging, secure learning and knowledge rich environment. All students are expected to attend every day to enhance their learning and progress. Continuity of learning can only take place through regular attendance to the Academy.

Regular appraisal and monitoring of registers will highlight any issues which may be followed up by written and/or verbal communication with the parents/carers in line with the Noel- Baker Academy 'traffic light' banding system relating to school attendance. Good habits are developed from an early age. It is vital that punctuality is the norm, rather than the exception. It is our policy to encourage and demonstrate the importance of efficient time-keeping for all students and this will be communicated through regular contact with parents/carers.

The Academy recognises and adheres to the Education Act 1996 for Attendance, Truancy, Excluded Students, Persistent Lateness and Unauthorised Holidays in Term Time. It also adheres to the Local Authority Code of Conduct and the latest DfE guidelines.

2. Legislation and Guidance

This policy meets the requirements of the [school attendance guidance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern Academy attendance:

- [The Education Act 1996](#)
- [The Education Act 2002](#)
- [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2010](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2011](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2013](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2016](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to the DfE's guidance on the [school census](#), which explains the persistent absence threshold.

This policy complies with our funding agreement and articles of association.

3.2. AM and PM Registration:

Only authorised persons may complete registers and they must be taken at the same time twice a day. Electronic registers are used in every class as part of the School's Information Management System (Go4 Schools). If for any reason the electronic register cannot be taken, then the office administrator will provide a paper register and will then input it on the electronic register from the office.

AM registers will remain open until 9:00am, any child arriving after 8:40am but before 9:00am will be marked as late ('L'). Any student arriving after this time (9:00am) without good reason will be classed as unauthorised ('U').

PM registers will be taken at the start of the PSHE lesson for LEAD and EMPOWER houses.
PM registers will be taken at the start of Lesson 4 for ACHIEVE, DRIVE and EXCEL houses

At times of exceptional weather, the registers may, according to DfE guidelines remain open until 9:30am.

3.3. Lateness to School:

- Students are expected to arrive for school by 8:30am where daily routines of uniform and equipment will be checked before entering the school building during roll call at designated points around the academy.
- Students enter the building with their class teacher, at designated points, and make their way to their first lesson, lining up outside their classroom.
- If a student arrives late to school, they must arrive at the Main School Reception where they will be greeted by the Education Welfare Officers and Assistant Headteacher responsible for Attendance and issued with a 'late gate' card. The student will be signed in and escorted to their lesson.
- As a result of being late to school, students will be issued with a 1-hour same day detention after school from 3:00pm to 4:00pm. The detention will take place in A1.
- Failure to attend the 1-hour detention, will result in a full day in internal exclusion the following day.
- Lateness after 9:00am will be unauthorised and persistent lateness may result in a referral to the Education Welfare Service and a Penalty Notice may be issued.
- Please note that if a parent/carer reports that there are extenuating circumstances that have prevented a student from arriving on time, then we will, of course, take this into consideration.

3.4. Lateness to Lessons:

- Any student arriving to any lesson 3 minutes after the first student arrives will be classed as 'late'. The register will be marked with the 'L' code.
- If the student doesn't have an explanation of their lateness to lesson or has been given a pink slip, the Teacher will record in the behaviour section on Go4Schools 'Late to lesson without reason'. The student will attend a 1- hour late detention that day.
- Failure to attend the 1-hour detention, will result in a full day in internal exclusion.

3.5. Authorised and Unauthorised Absence- including Attendance Codes:

There are two types of school absence:

- **authorised** where the school approves the student's absence.
- **unauthorised** where the school will not approve the student's absence.

Only the school can authorise the student's absence. Whilst this is straightforward in most cases, there may be a time when the school will refuse to authorise a student's absence without medical support. If a child is ill, the parent/carer is to call the school before 8.15am and notify the school of the child's absence, the reason and when the child is to be expected back in school (**Tel 01332 572026**). In order for the absence to be authorised we will require a letter or email from the parent/carer detailing the reason for the absence to be sent upon the child's return to school.

Our expectation is that:

- Parents should contact the school on the first and each subsequent day of absence, unless a definite date of return is known. If parents do not contact the Academy within 24 hours of an absence, this will be marked as unauthorised.
- If your child has been absent for 3 days or more with either illness or unauthorised absence over a 6-week rolling period, the Academy will require some form of medical evidence stating the health reasons for absence. This could be 3 consecutive days or separate days over the 6-week

period. Evidence for such absences could be in the form of a note from a health professional, prescription labels and in some cases, evidence of medical appointments.

- Where your child has been absent due to attending a medical appointment, the school must receive the evidence in order for this to be approved. The evidence can be either a letter or an appointment card. **Please also note whole day absences for medical appointments will not be authorised. Parents/carers are expected to book routine dental, medical or opticians appointments outside school hours.**
- If the student is not in school by 9.30 a.m. and the school **has not been** contacted by the parent/carer, then a member of the Attendance team will contact the parent/carer by text message to find out why the student is not in school. Where the school is also unsure of the reason for illness, or needs clarification about this, then the parent/carer will also be contacted.
- If there has been no communication on the first day of absence and the parent/ carer hasn't been in contact, the Education Welfare Officer (EWO) will follow up by telephoning the home to find out the reasons for the absence that day. They may also follow up with a Home Visit the same day.
- If a student is absent and no contact has been successful by the Academy or the EWO, the student may be referred to Social Care in line with the Academy's Child Protection and Safeguarding Policy.
- If a student is missing for more than two weeks or 10 days, then s/he will be referred as a 'child missing in education' to the Education Welfare Service.
- If a student does not return to the Academy for a further two weeks and there has been no contact from/with the parents, then his/her place may be removed from the school roll.
- Students' attendance is monitored and tracked against an 'Attendance Risk Register' which clearly sets out the tiers for escalating procedures for poor attenders/persistent absentees including prosecution.
- If students have been sick, they do not need to remain at home for the following 48 hours. Students can return earlier.

Absence relating to Covid-19- UPDATED

All legal covid-19 restrictions have now been lifted, including the legal requirement to self-isolate when infected. However, self-isolation is still strongly advised. Therefore, any pupil with a positive covid-19 test result will be advised to try to stay at home and avoid contact with other people for **three days**, which is when they are most infectious. Where your child remains ill (sickness, high temperature, continuous cough) after this time, they should remain at home until well enough to attend but if they are well they must return after three days.

Parents/ Carers of Students who are self-isolating must contact the school immediately if this is the case (Tel: 01332 572026).

Symptoms of COVID- 19 include:

- having a new, continuous **cough** – coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours;
- having a **fever**- being hot to touch on the chest or back (there is no need to measure temperature but this is advisable);
- having a loss of, or change in normal sense of taste or smell (**Anosmia**).

Face coverings

The government now states that face coverings are no longer advised for pupils. No pupil should be denied education on the grounds that they are, or are not, wearing a face covering. If your child wishes to continue to wear a face covering, they should be able to do so.

Ventilation

Good ventilation can help reduce the risk of spreading coronavirus, so we are still focussing on having good ventilation in classrooms and around the school.

Remote education

If a pupil is not attending due to circumstances related to coronavirus (COVID-19), we will immediately offer access to remote learning through the home learning work that staff are uploading weekly. This work is the same as the work they would be undertaking if they were able to be at school and is accessed on the website:

<https://www.noelbakeracademy.co.uk/recorded-lessons/>

We have a secure system in place whereby we will keep a record of, and monitor engagement with this activity- this will also include regular phone calls to support your child during this time.

3.6. Medical Evidence:

- All medical evidence must be sent to the attendance office on A floor Green/ Yellow.
- If letters/notes come from parents/carers directly to the teacher, then these should be signed and dated by the teacher and sent to the Attendance office. The evidence can also be emailed to attendance@noelbakeracademy.co.uk
- If a teacher receives verbal communication, then it must be recorded on the electronic register for the appropriate days and the Attendance office will be informed. Evidence must be provided upon the students return to school in order for the absence to be authorised.
- All information about absences and logs of the Academy's attempts to contact home is recorded electronically on Go4Schools and in student absence records.
- Unfortunately, there are occasions when a child can suffer from more sustained health problems. If this is the case, the school will contact the medical professionals involved with the child in order to be able to support the child in the most appropriate manner. The school would like the parent to give permission for the medical professionals to be able to speak to the school about the best way to support the child. In these circumstances it is not appropriate for the parent to contact the school every day and a more appropriate frequency of communication will be established with the parent. This bespoke arrangement will be put in place by the Tutor/Pastoral Team.

3.7. Noel- Baker Academy Strategy:

Noel- Baker Academy operates a 'traffic light' system in relation to school attendance. See appendices (Noel- Baker Academy strategy). At each stage there will be appropriate interventions:

- **'Green'** signals a good school attendance, where the student's attendance is above 97% (97% to 100%);
- **'Amber'** signals a student whose attendance is causing concern. This is where a student's attendance is between 92% and 96.99%;
- **'Red'** signals a student who has poor attendance and their attendance level is below 92%.

3.8. Holidays in Term Time:

- There will be **no** authorisation of absence for holiday during school time. The Government guidelines are very clear and only allow the Head teacher to grant leave of absence for exceptional circumstances. Parents do not have a right to take their child out of school for a holiday during term time.
- Notice of your intention to take your child out during term time should be made via the Academy's Leave of Absence Request form which can be found on the Noel- Baker Academy website. **If we do not receive formal notification, but are aware that you are on holiday, then the below remains the same.**
- The education (student registration) (England) Regulations 2006, Amendment 2013, Section 7, Leave of Absence Section, states 'A student may be granted leave of absence from the school to enable him/her to go away on holiday where: An application has been made in advance to the Head teacher by a parent with whom the child normally resides; and the Head teacher considers that leave of absence should be granted due to 'exceptional circumstances' relating to that application. Under section 444(A) of the Education Act 1996, the Local Authority may issue Penalty notices to parents of children with unauthorised absences from school. These are issued per parent, per child.
- Due to the timing of internal year examinations and the GCSE and vocational examination period falling in the months of May and June, the Academy cannot condone any absence during this period except in the most exceptional of circumstances. Students who are knowingly taken from

the Academy to go on holiday during this period will be referred to Education Welfare for Penalty Notices to be issued.

Please refer the Government website for details of these notices and their present value www.gov.uk/school-attendance-absence/legal-action-to-enforce-school-attendance.

3.9. Truancy:

- If the student is known to have been in school, but has not attended all, or some of their lessons without reason, then they are classed as truant.
- If this is to occur, then the truant will be placed into internal exclusion and serve a 1 hour after school detention on the same day. Parents/carers will be notified of the incident.
- If the truancy persists a parental meeting will be conducted and further actions and/or strategies will be implemented to rectify the behaviour.
- If it is believed that the truant has left the school site then, the Academy will inform the parent/carer should the student not be found. In this situation we would advise the parent/carer to contact the child themselves.
- If the school is unable to contact the parent to inform them of their child's truancy, then messages will be left with the parent. As a school we will endeavour to try all available contact numbers on the school system to notify the parent of the truancy.
- If no contact can be made the school may be left no other option but to contact the police.
- In either case, the student's sanction will be similar to the previous example.
- Sometimes parents/carers believe that their child is at school, but the student has not actually entered the building. Should this happen then, the school would naturally believe the student to be absent and would contact the parent/carer for a reason for the absence. If we are unable to contact the parent then messages will be left to make sure that the parent is aware of the absence. At this point the truancy would come to light. In this situation we would advise the parent/carer to contact the child themselves, but if they do not get any response, then we would advise that they contact the police. For this reason it is important that parents keep the school informed of any changes of contact details.

3.10. Communication with Parents/Carers:

- Attendance to be communicated to parents/carers during Parents' Evenings.
- Parents/carers invited to 1-2-1 Attendance Evenings.
- Parents/carers are regularly informed about attendance issues in the Head teacher's newsletters.
- Attendance newsletters are sent out every term reminding parents of the Academy's monitoring procedures for attendance.
- Letters are sent about absence and lateness, stressing the legal requirements for students to attend and the financial penalties that may be served for non-attendance.
- Parents/carers of students whose attendance is a cause for concern are sent letters to inform them of the Academy's intended actions in line with the 'traffic light' banding system. See appendices letters.
- The Academy will attempt to work with parents/carers to address attendance issues and make reasonable efforts to support parents/carers in getting their children to the Academy.
- Social media, e.g. Twitter or Facebook, will be used to effectively communicate and update parents/carers on attendance within year groups. This will be communicated on a regular basis.

3.11. Religious Observance:

- Derby City is a vibrant and diverse city that promotes respect for the faiths and values of its communities. There are many religions celebrated in our Academies and it is important that we recognise the diversity of the population.
- In Derby City one day for each religious festival (no more than three days in one academic year) can be counted as authorised absence. Where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, we will seek advice from the parents' religious body to confirm whether the day is set apart.

3.12 Taking a Pupil Off Roll:

A pupil's name will not be deleted from the attendance register unless it has also been deleted from the admissions register and a removal / leaver form completed.

A pupil of compulsory school age shall have his/her name deleted from the admissions register when:

- The pupil is registered at our Academy in accordance with the requirements of an Academy attendance order and another Academy is substituted by the Council for that named in the order, or the order is revoked.
- The pupil has been registered at another school or Academy. (Academies can register travellers' children even if they are on the roll of another school/Academy. The Academy the child normally attends is the base Academy; the other registration is temporary).
- The Academy has received written notification from the parent that they are educating the pupil themselves. (Elective Home Education)
- The pupil has ceased to attend our Academy and no longer lives within a reasonable distance of Academy.
- In the case of a pupil granted leave of absence exceeding 10 days for the purpose of a holiday, the pupil has failed to attend the Academy within the 10 school days immediately following the last day of absence which was granted and we are not satisfied that the pupil is unable to attend by reason of sickness or any unavoidable case. Both the Academy and the Council will make reasonable enquiries to find out where the pupil is, to include letters, home visits and telephone calls.
- The pupil is certified by a medical professional or relevant member of staff as unlikely to be in a fit state of health to attend school before ceasing to be of compulsory school age.
- The pupil has been continuously absent from our Academy for a period of not less than 20 school days and both the Academy and EWO have failed, after reasonable enquiry, to locate him/her. Again, reasonable enquiries should be made. In such cases we will ensure the EWO are informed and procedures concerning missing children and missing children protocol should be followed.
- The pupil had died.
- The pupil will cease to be of compulsory school age before our Academy next meets and their parent has indicated that they intend to cease to attend. (All registered pupils are required to remain at our Academy until the leaving date- the last Friday in June. At school includes, for these purposes, approved educational activities undertaken off site, including work experience)
- The pupil has been permanently excluded and the exclusion has been upheld by governors.
- The pupil attends a special school and the Council gives consent for his/her name to be removed.

If we are told that a pupil is leaving to attend another school/Academy, staff at our Academy will establish the pupil's new address, the name and address of the new school/Academy and the date the pupil will start there. Confirmation will then be sought from the receiving school/Academy. Whenever a pupil leaves us a Common Transfer File (CTF) will be completed. If we are concerned about any aspect of a transfer or a pupil has "disappeared" the matter should be referred

immediately to the Education Welfare Service who will investigate missing pupils as part of Derby City Local Authority Missing Children's protocol.

4. Legal Action

4.1 Penalty Notices:

Under the Education Act 1996, the Education Welfare Service has the power to issue Penalty Notices and to take legal action:

- against the parents/carers of any student who fails to attend school regularly.
- at the request of the Head teacher in respect of any students who are regularly late after the close of the register.
- where absences have occurred due to unauthorised holidays being taken in during term time.

All the above is subject to the Academy making parents/carers aware of the possibility of the above action by speaking with them, writing to them, publishing the information on the Academy website and ensuring the Governing Body have adopted the policy and therefore support the action.

4.2. Traveller Pupils:

Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh Gypsies, Irish and Scottish Travellers, Showmen (fairground people) and Circus people, Bargees (occupational boat dwellers) and New Travellers. Absence may be authorised only when a Traveller family is known to be travelling for occupational purposes and has agreed this with the Academy but it is not known whether the pupil is attending educational provision.

4.3. Children Missing in Education:

Where a pupil has not returned to our Academy for ten days after an authorised absence or is absent from the Academy without authorisation for twenty consecutive school days, the pupil can be removed from the admission register when the Academy and the local authority have failed, after jointly making reasonable enquiries, to establish the whereabouts of the child. This only applies if the Academy does not have reasonable grounds to believe that the pupil is unable to attend because of sickness or unavoidable cause.

- We will always make reasonable enquiries to establish the whereabouts of the child, jointly with the local authority, before deleting the pupil's name from the register.
- We will adhere to the Children Missing in Education Statutory Guidance for LAs;
www.gov.uk/government/uploads/system/uploads/attachment_data/file/550416/children_missing_education_-_statutory_guidance.pdf

4.4. Children Who Cannot Attend Academy Because of Health Needs:

In line with Section 19 of the Education Act 1996 the Local Authority (LA) have a duty to: "make arrangements for the provision of suitable education at school or otherwise than at school for those children of compulsory school age who, by reason of illness, or otherwise, may not for any period receive suitable education unless such arrangements are made for them."

This applies to children and young people:

- who are of statutory Academy age and who
- are permanently resident in the LA and
- who are not in Academy for 15 days or more, whether consecutive or cumulative due to ill health and
- where the health need and necessity for absence has been validated as necessary by a medical doctor
- will not receive a suitable full-time education unless the local authority makes arrangements for this

Health problems include physical illnesses, injuries and clinically defined mental health problems. Suitable medical evidence will be required. This would include details of the health problem, how long the condition is expected to last and the likely outcome, and a treatment plan. This must be provided by a suitable medical professional, normally a hospital consultant. However, where specific medical evidence is not available quickly, the local authority will liaise with other medical professionals (e.g. the child's GP), so that provision of education is not delayed.

Arrangements for alternative provision will be made as soon as it is known that a child has not attended the Academy for 15 days for health reasons or as soon as it is clear that a health-related absence from the Academy will be 15 days or longer, verified by a medical doctor. The 15 days may be consecutive or cumulative. The provision will commence as quickly as possible. There may be circumstances in which suitable alternative education is already in place e.g. if the Academy has made arrangements for a pupil, or the child is receiving education at a hospital Academy.

4.5. Children in Public Care:

Mrs Sarah Leach (Assistant Head teacher) is the coordinator who liaises with the LA Children Looked after Team. The Virtual Academy will be contacted each day whether the pupil is attending or is absent. Attendance will also be reported as part of the PEP.

4.6. Elective Home Education:

A parent has a right to educate their child at home and can request to home educate their child at any point. On receipt of written notification from the parent/carer, we will inform the LA and once approval has been received, the pupil may be taken off roll and a leaver's form will be completed.

4.7. Off Site Provision:

Either students are registered prior to attending off site provision or registration data is forwarded to the school daily. The above practices for absence will be applied to in line with the Academy's Attendance Policy.

5. Rewards

Celebrating success is a key aspect of school life at Noel- Baker Academy. Below is a list of ways in which students will be rewarded for attendance to school:

Tier One Reward- 1 point:

- 100% attendance for a week. Pupil names to be displayed on TVs around the academy.

Tier Two Reward- 2 points:

- 100% attendance to be given to the form in each house with the highest attendance each week. Each tutor to receive a recognition certificate to be displayed in the tutor room.
- Given to the most improved tutor group in each house weekly.

Tier Three rewards- 5 points

- For all 100% attenders for each half term, the student will receive a postcard emailed home congratulating them on their attendance achievement. Every student with 100% attendance that half term will receive a cookie token to be used in the Academy canteen.

Tier Four rewards – 10 points

- 100% attendance for each term. Every student will receive a certificate and a letter sent home from the Senior Leadership Team.

Tier Five rewards – 25 points

Gold star awarded:	for 100% attendance for 3 years
Platinum star awarded:	for 100% attendance for 4 years
Special gift awarded:	for 100% attendance for 5 years

All reward points will be added to Go4Schools and shared and celebrated through our media campaigns.

6. **General Data Protection Regulation**

All data within this policy will be processed in line with the requirements and protections set out in the General Data Protection Regulation.

7. **Review**

- Senior Leadership Team and Governors review the effectiveness of this policy annually.
- Statistical analysis is completed every week and updated each half term to be included in the Head Teacher's Report to Governors.

8. **Role and Responsibilities**

All stakeholders play a vital role in ensuring students are attending school regularly and on time. Below are the roles and responsibilities of key stakeholders in ensuring students attend Noel- Baker Academy.

Stakeholder	Role and Responsibility
